

CBT Module – Step by Step User Guide

Step 1 – Access the CBT Portal

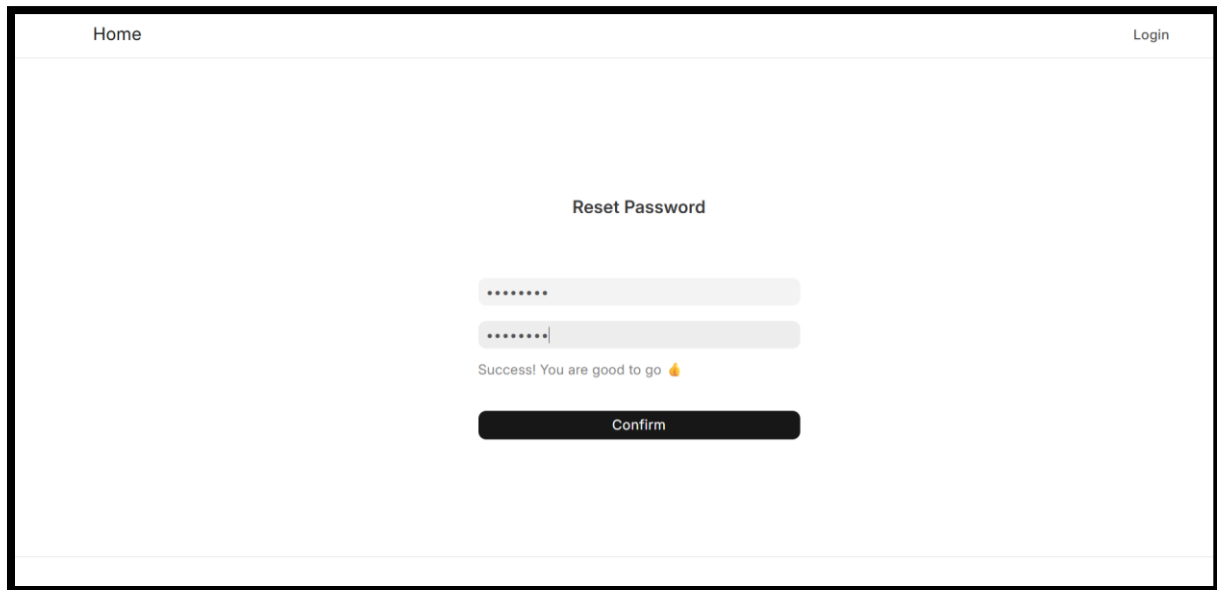

1. Open the **initial email** you received from the CBT System.
2. Click on the link labeled “**Click here to reset your password.**”
3. You will be redirected to the **Password Setup Page.**

The screenshot shows a web page titled 'Reset Password'. At the top left is a 'Home' link and at the top right is a 'Login' link. The main content area has the heading 'Reset Password' centered. Below it are two input fields: 'New Password' and 'Confirm Password'. At the bottom of these fields is a dark grey button labeled 'Confirm'.

Step 2 – Set Your Password

1. On the password setup page, create a password with **at least 8 characters** including:
 - **One uppercase letter**
 - **One symbol**
 - **One word or lowercase letter**
2. Click **Confirm** to successfully set your password.

The screenshot shows a web application interface for password setup. At the top, there are links for 'Home' and 'Login'. The main heading is 'Reset Password'. Below this, there are two input fields for password creation, each containing a series of dots. A success message 'Success! You are good to go 🍷' is displayed below the input fields. At the bottom, there is a dark button labeled 'Confirm'.

Step 3 – Complete Your Profile (First Login Only)

1. After setting your password, you will be shown a **User Details Form**.
2. All fields in this form will be **pre filled and uneditable**, except two fields:
 - **Attendee Name**
 - **Designation**
3. Fill in these two fields and click **Save**.
4. This step will occur only **on your first login**.

Step 5 – Access the Training Course

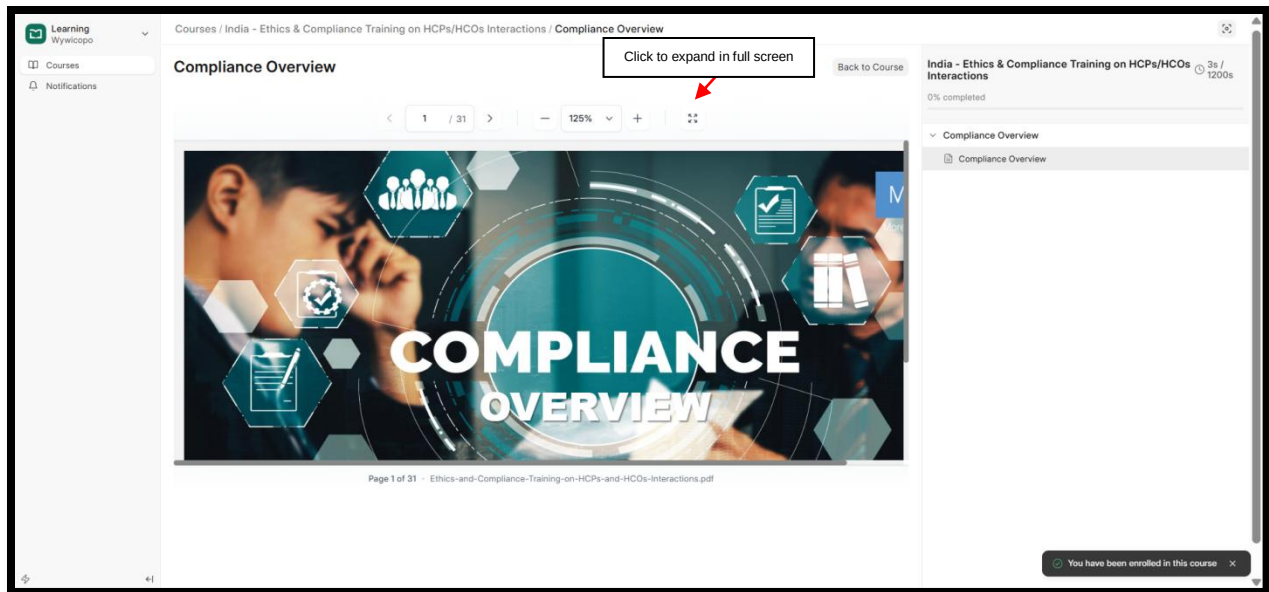

1. On the **main CBT Portal screen**, you will see your assigned training course.
2. Click on the **visible course tile** to open it.
3. The screen will change to **Course Details**.
4. Click on the **Start Learning** button at the **top right corner**.
5. The course will begin immediately.

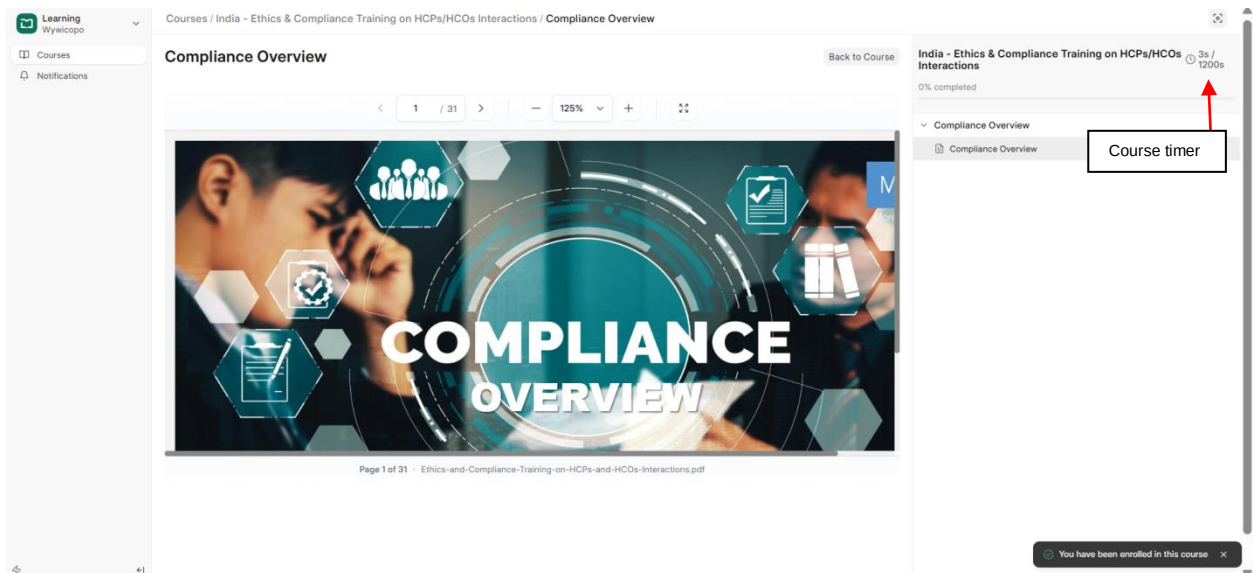

Step 6 – Training Content Navigation

1. The training content will open as a **PDF file**.
2. You can navigate using the **left** (←) and **right** (→) arrow keys to scroll through the pages.
3. A **Full Screen** button is available to enlarge the PDF view.
4. Navigation remains the same in full screen mode.

Step 7 – Training Timer

1. Once the training begins, a **20 minute timer** will start on the **top right corner** of the page.
2. The timer will keep running as long as the user stays on the page.
3. If the user **closes the window** or **navigates away**, the timer will pause.
4. The timer will **resume automatically** when the user returns to the training.

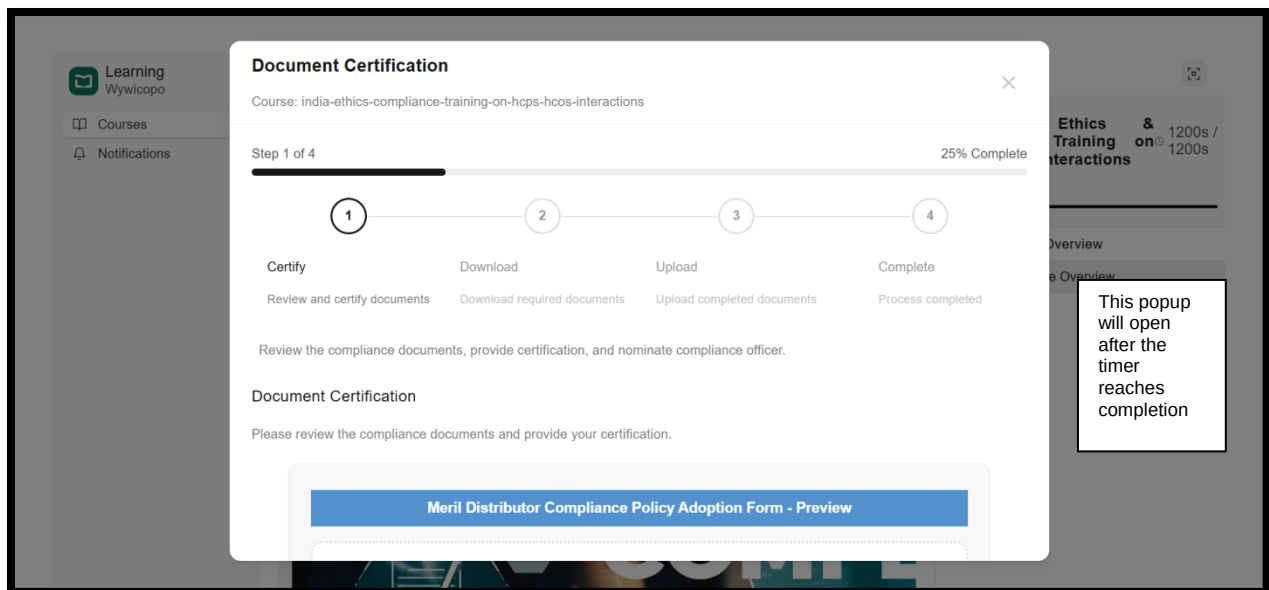

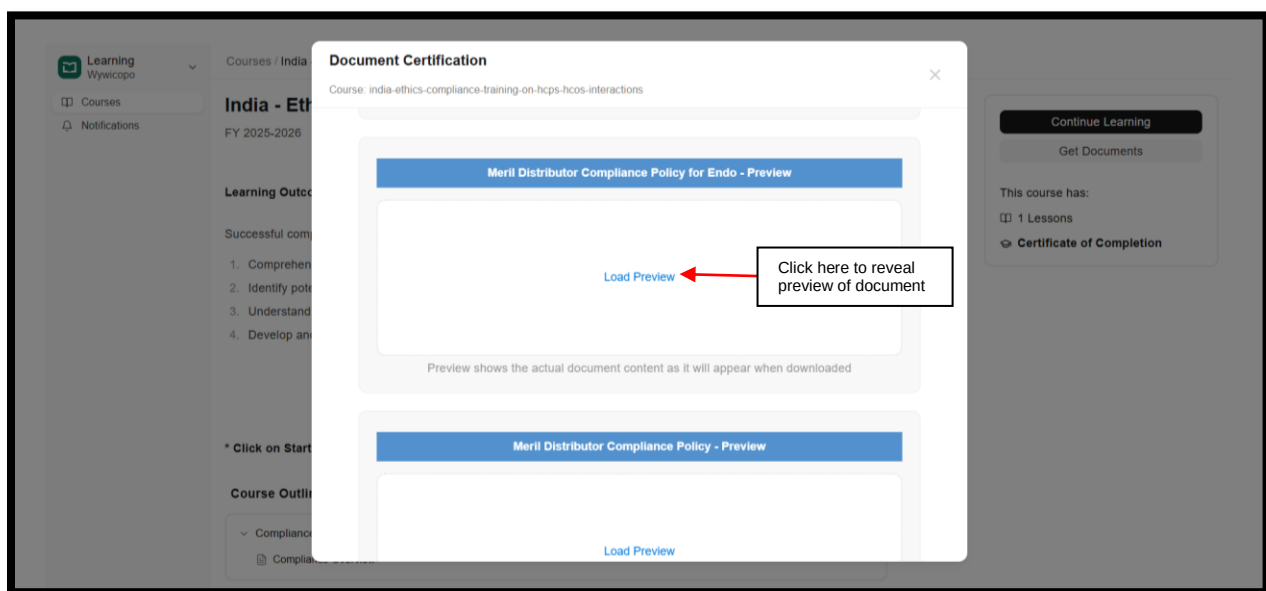

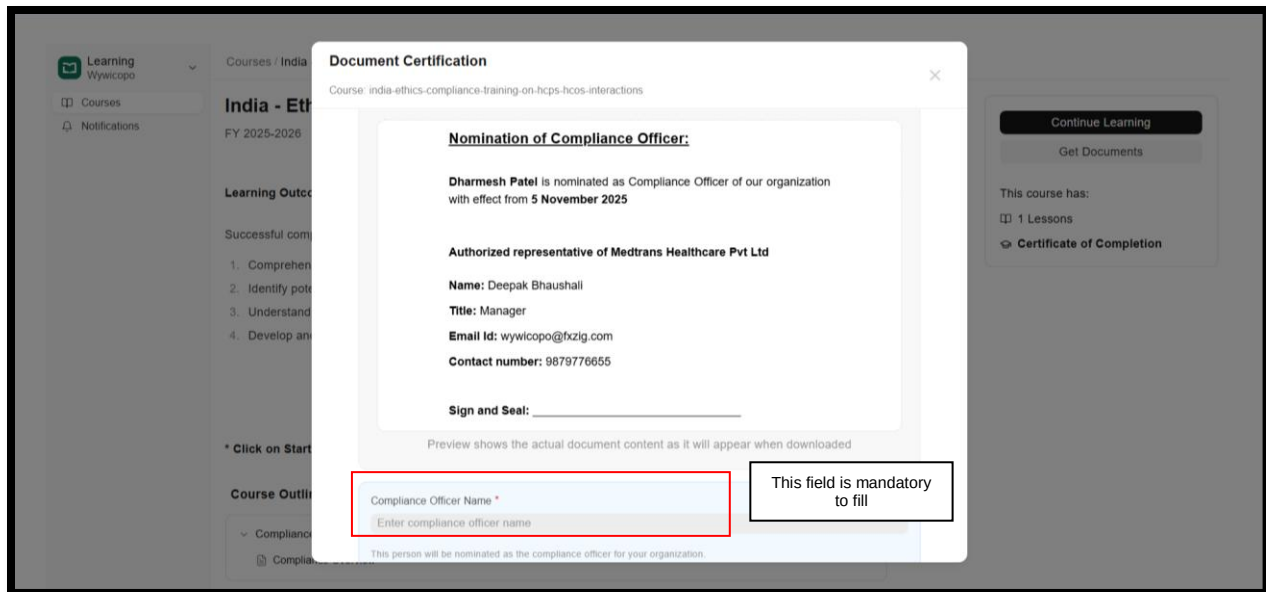

Step 8 – Document Submission (4 Stage Process)

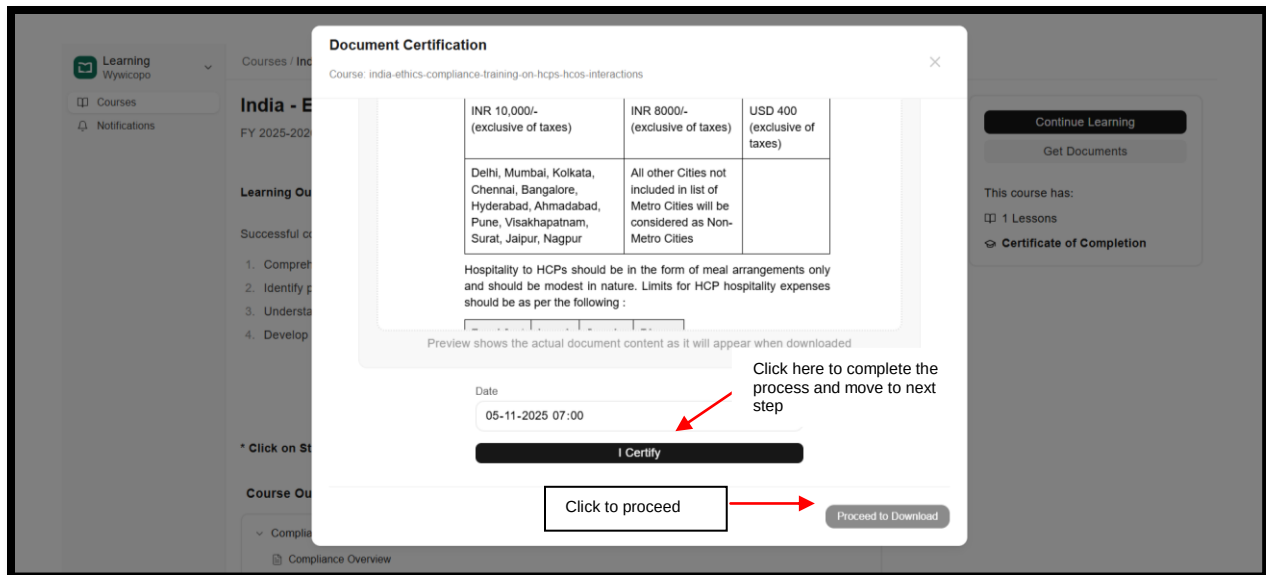

After the **20 minute timer completes**, a popup will open to begin the **4 Stage Document Submission** process.

Stage 1 – Preview and Certification

1. The popup will show **pre filled documents** for preview.
2. The first document will be the **Compliance Policy Adoption Form**.
3. Scroll through the document until you reach a blank field labeled **Nominated Person Name**.
4. Enter the name of the nominated person. The name will **auto reflect in the preview** in real time.
5. Scroll through the remaining documents (all pre filled).
6. The **last document** will have a **Load Preview** button – click to view it.
7. At the end, the **“I Certify”** button will appear:
 - It remains **greyed out** until you fill in the nominated person’s name.
 - Once active, click **I Certify**.
8. After clicking **I Certify**, the **“Proceed to Download”** button becomes active.
9. Click **Proceed to Download** to continue to Stage 2.

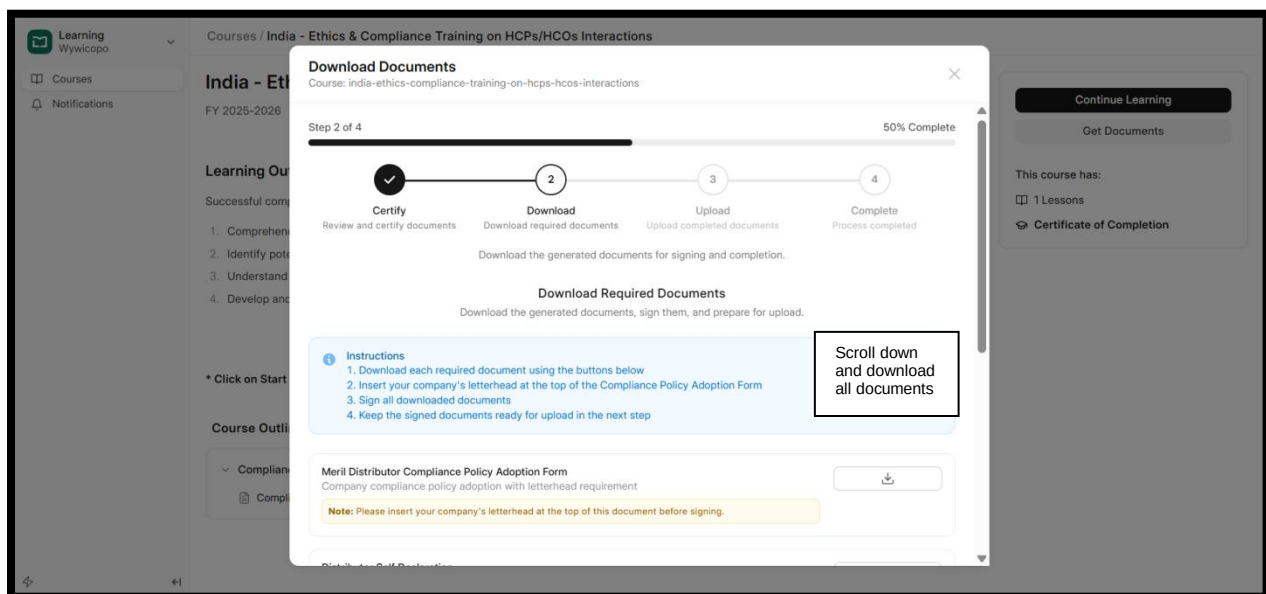

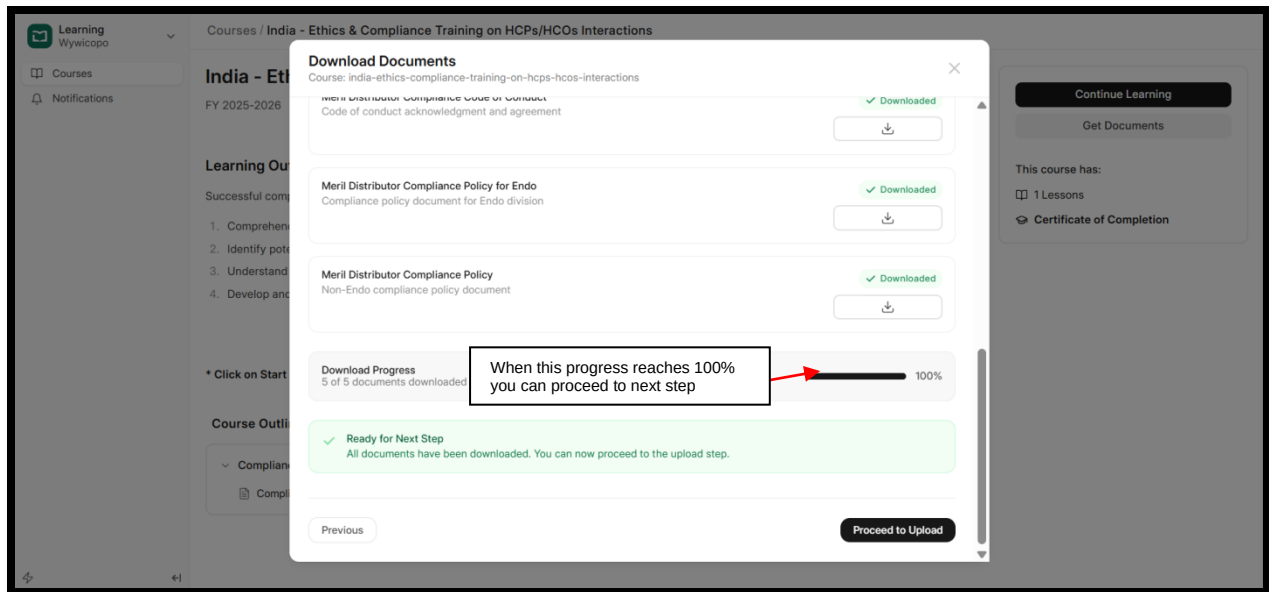

Stage 2 – Download Documents

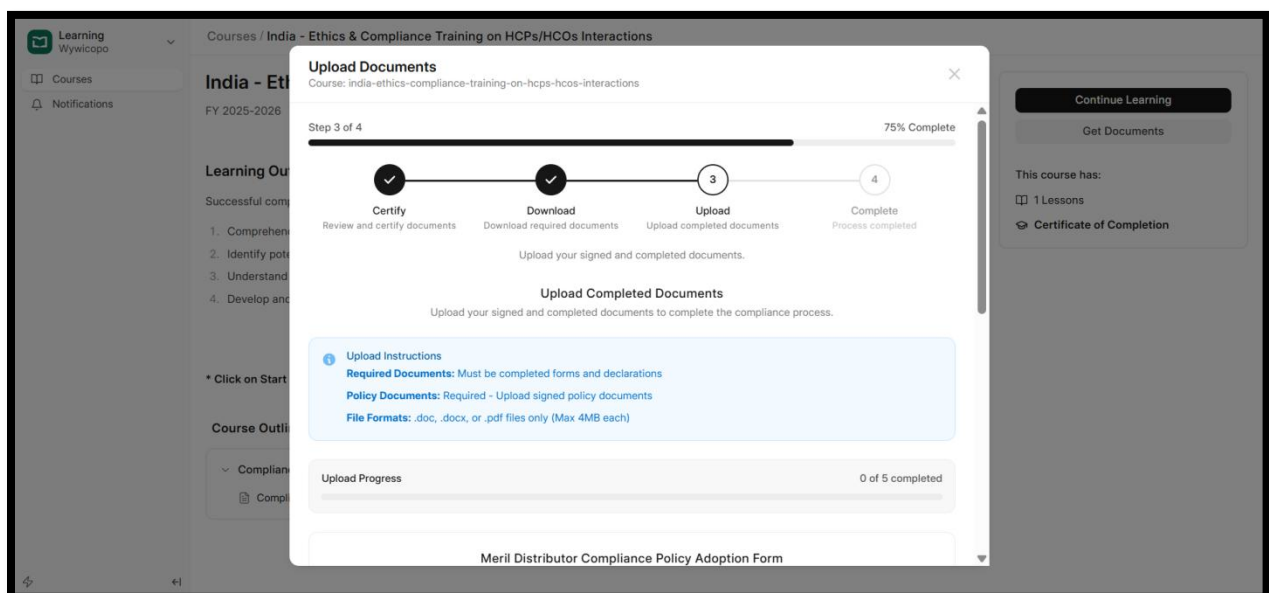

1. Download all the **pre filled documents** displayed.
2. A **progress bar** at the bottom will show download progress.
3. Once progress reaches **100%**, the “**Proceed to Upload**” button will become active.
4. Click **Proceed to Upload** to continue to Stage 3.

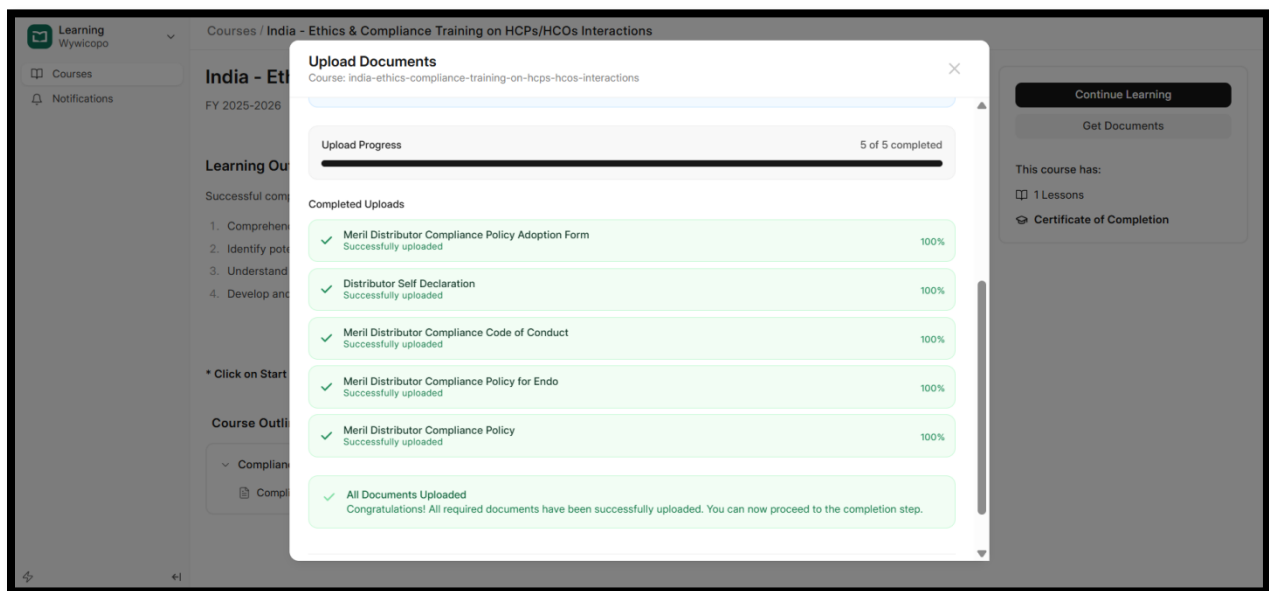

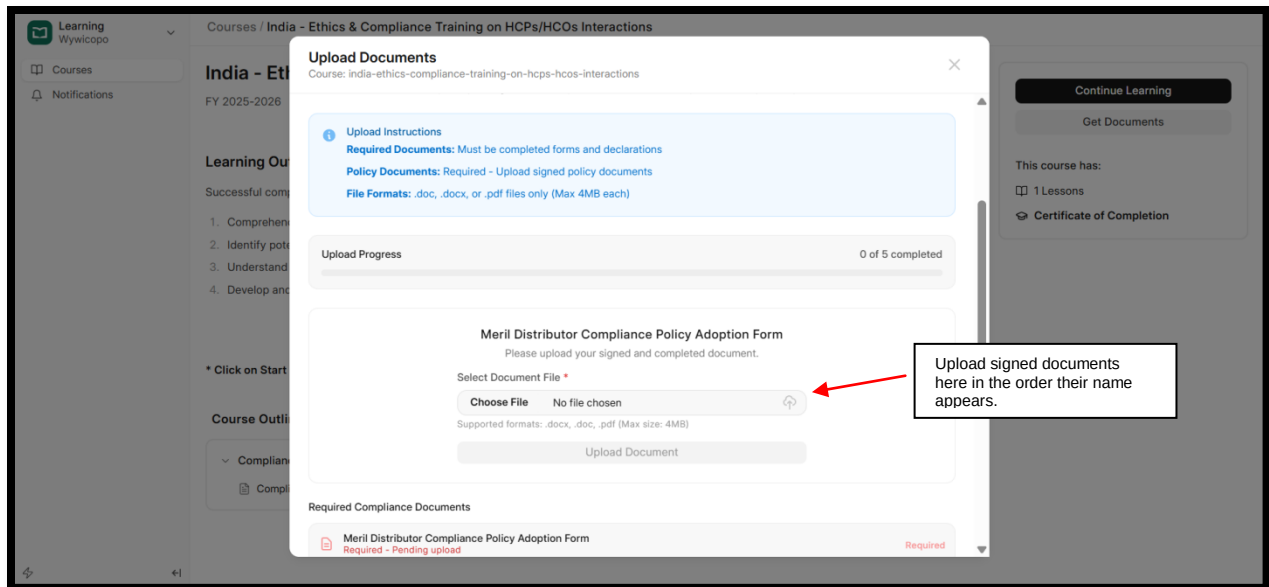

Stage 3 – Upload Signed Documents

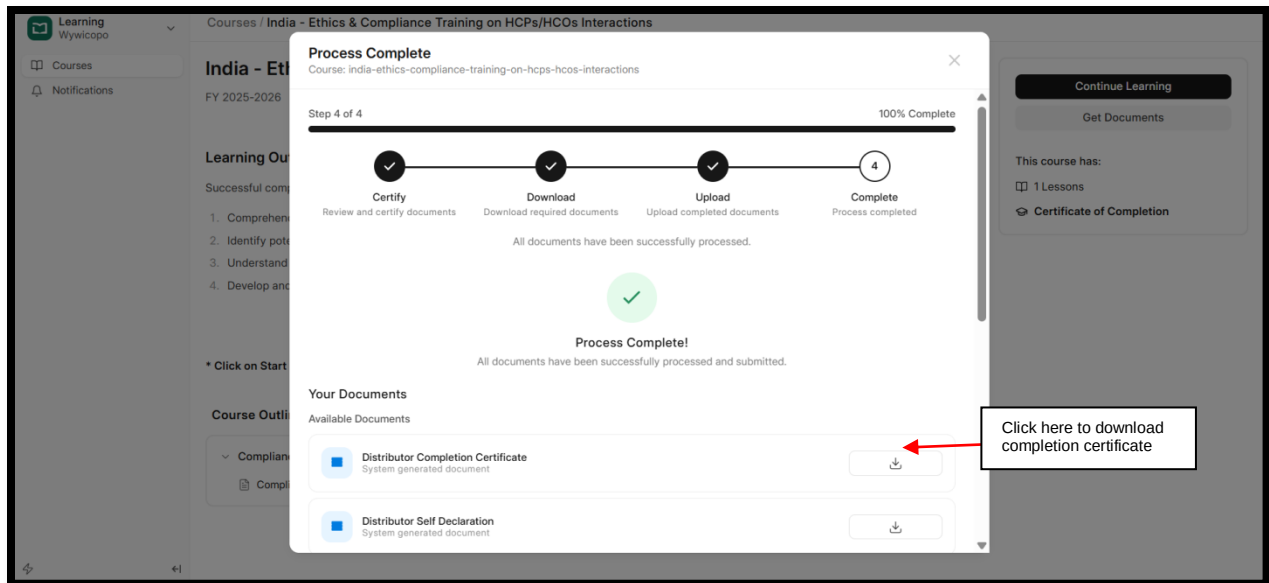

1. Upload the documents that you downloaded and **signed** in the previous step.
2. Do remember that the **Compliance Policy Adoption Form** is to be printed on your Letterhead and then it is to be signed and uploaded.
3. The upload process happens **one document at a time**.
4. An upload window will appear for each document showing its name.
5. A **progress bar** will track the total upload progress.
6. Once all documents are uploaded and progress reaches **100%**, move to **Stage 4**.

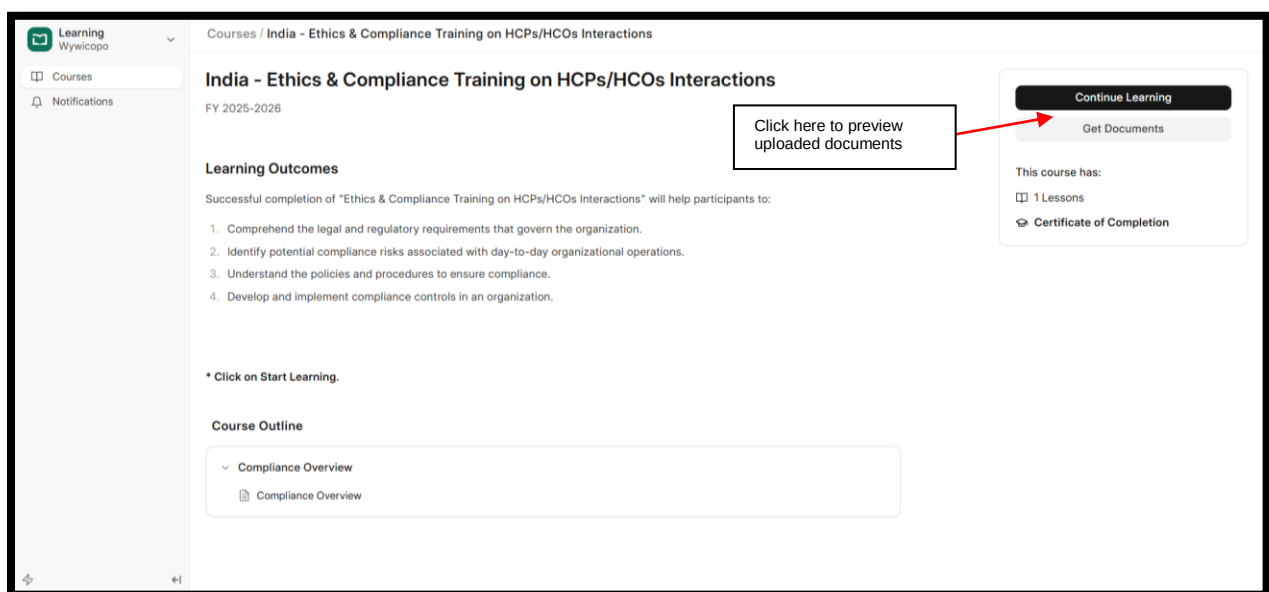

Stage 4 – Certificate Download

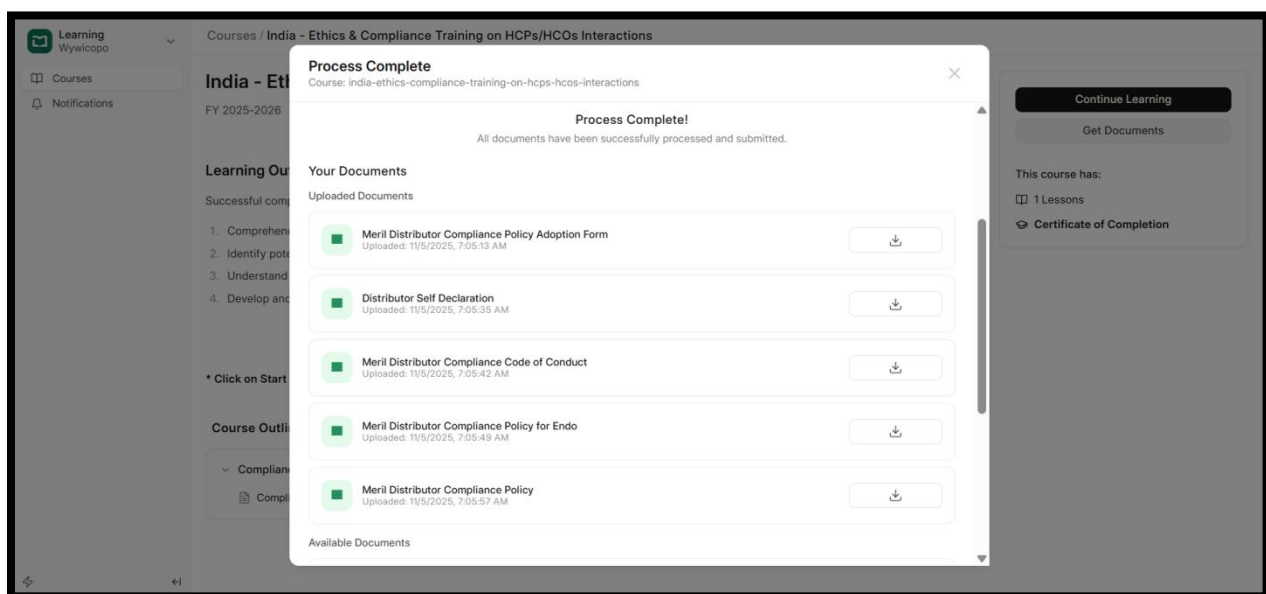

1. Once all uploads are completed, you can download your **Certificate of Completion**.
2. Click the **Download Certificate** button to get your awarded certificate.
3. This marks the end of the training process.

Step 9 – Viewing Uploaded Documents (After Completion)

1. After completing the course, return to the **main screen** where the course tile is visible.
2. The course will now display as **“Completed.”**
3. Click on the course tile again to open the **Course Details** window.
4. A new button **“Get Documents”** will appear.
5. Click **Get Documents** to open a popup showing all your **uploaded files** with their **upload timestamps**.
6. You may download any of these documents at any time for your records.

Step 10 – Course Access Limitation

- The course is **accessible only once**.
- Once your **course progress reaches 100%**, the course becomes **locked**.
- You will **not** be able to view or re open the course content unless the **Admin re enrolls** you manually.
